

# 2019 AAOA EXHIBITOR PROSPECTUS

Otolaryngologists dedicated to the quality care of patients with allergic, rhinologic, ENT, and related respiratory disease

### Welcome

Dear Corporate Partner,

As an ACCME-accredited national specialty organization, the American Academy of Otolaryngic Allergy (AAOA) is committed to delivering quality medical education programs based on the AAOA's Scope of Knowledge. With more than 2,500 members, we represent the allergy, rhinology, respiratory and ENT disease interests of over 8,000 US-based otolaryngologists. Our overarching organizational mission is to deliver education intended to improve patient care.

With that in mind, we recognize there are several levels of education that work in concert to optimize care. Many of these opportunities stem from the relationships we have with our corporate partners. Sponsorships, corporate support, and technical exhibits are vital extensions to our educational content, as they broaden our opportunities to inform our members of state-of-the-art research and help make them aware of commercially available products and services related to otolaryngology and medicine in general. With today's economic climate, our goal is to broaden your opportunities to work with the AAOA and its educational programs to help us each meet our own internal goals.

This year we are offering several discounts to companies who commit to exhibiting at the all three courses in 2019. In order to take advantage of the 5% discount, we must receive your commitment prior to December 31, 2018. Please see page 6 for more information.

This Exhibitor Prospectus contains all the information necessary to make your participation in the AAOA's 2019 CME programs a success. Please note that in addition to participating as an exhibitor during these events, we offer marketing and promotional opportunities, as well as industry satellite and product theaters. We are also open to considering unique opportunities to maximize the impact we can have together. Please feel free to contact either of us for more information about these specialized marketing opportunities.

As we plan and develop our 2019 CME programs, we look forward to working with you in our overall educational efforts.

Sincerely,

Tvor

Ivor Emanuel, MD, FAAOA Corporate Development Chair Marina

Director, Marketing and Communications

### **About AAOA**

The mission of the American Academy of Otolaryngic Allergy (AAOA) is to enhance the knowledge and skill of physicians and others in their care of the allergic patient.

#### Who We Are

The AAOA is one of the largest national otolaryngology societies, representing approximately one-third of the practicing otolaryngologists. Our members represent the core of the private practice general otolaryngologists who are the decision makers in their groups, as well as key leaders in academic otolaryngology. Our members include the broader management of allergy and related inflammatory diseases of the respiratory tract within their daily ENT practice, blending surgical and medical management, in addition to general ENT, rhinology, and pediatric ENT. Our 2,000+ physician members have a real impact on today's ENT practice and patient care. While many of our members consider themselves general ENTs, we have many who focus on rhinology, pediatrics, geriatrics, sleep medicine, and asthma. Our member-based demographic includes physician assistants, nurse practitioners, and allied health professionals who work alongside the physician in day-to-day patient care. This increases our education outreach to a total member base of more than 2,500 active members.

#### What to Expect

At our events, national leaders in otolaryngology will lead discussions on pertinent clinical care issues that affect all practicing general otolaryngologists. Topics range from focused discussions on allergy, asthma, rhinology, sinus surgery, laryngology, otology, pediatrics, sleep, and general ENT to cutting-edge advances in the medical and surgical management of ENT patients.

#### Why Participate

The AAOA CME mission underscores the organizational commitment of continued learning with a goal toward improved patient outcomes. As a corporate partner, you can share our mission.

In the realm of partnership, we invite you to participate in our 2019 AAOA CME events. At each of our events, we draw 250-350 healthcare professionals, see page 4 for course attendance breakdown. Over the past 12 months we reached close to 900 practitioners.

At our Basic Course many, if not most, of the attendees are new to incorporating the diagnoses and management of allergy and related respiratory diseases into their overall medical and surgical ENT practice. Our Annual Meeting and Advanced Course expand on these concepts. Most of the participants use these courses as a way to familiarize themselves with both medical and product knowledge. These programs provide you a unique opportunity to focus on a well-defined, motivated, target demographic for new client development, as well as a chance to thank existing clients.

# **Exhibitor Terms and Conditions**

#### 1. Eligibility to Exhibit

Companies involved in providing education, supplies, and services to the medical profession: pharmaceutical, instrumentation, practice management, publications, computer software, etc.

All products must be directly related to the practice of surgery or medicine and approved by AAOA in its sole and absolute discretion. Exhibitors shall not exhibit products or services other than those described in the application and approved by AAOA.

A product that is an "investigational device or drug" must be clearly marked as such. Exhibitors must ensure that with respect to all such devices or drugs, only permissible preapproved dissemination of scientific and educational information is provided at the exhibit and that appropriate disclosure and cautionary notices are included with the devices or drugs.

All products and services exhibited at AAOA shall comply with FDA rules and regulations. For additional information, contact the FDA directly at 888-463-6332 or www.fda.gov.

Applications deemed ineligible by AAOA will be returned with full payment.

#### 2. AAOA Logo

Use of the AAOA logo on signs or materials distributed is strictly prohibited without the written consent of AAOA. The use of logos, name, seals of approval, trademarks, or other similar property rights that are in disuse may not be used in connection with any product or service or advertising material displayed or disseminated at the exhibit.

An exhibitor shall not in any manner directly or indirectly imply that AAOA endorsement or approval has been given merely because AAOA approved such product or service for a display as an exhibit.

#### 3. Exhibitor Representatives

Each exhibiting company is granted two (2) badges as a part of their booth space rental fee, provided that the exhibitor representatives are registered in advance. Additional and replacement badges are available at \$50 each in advance and on-site.

Only exhibitors with badges will be permitted to enter the exhibit area during hours of the program and installation and dismantling.

Substitutions are not permitted, and badges cannot be shared.

A person who wants to register as an exhibitor must be a full-time employee of the exhibiting company.

#### 4. Failure to Occupy Space

Any space not occupied by the time the Exhibit Hall opens on the first day of the event may be forfeited by the exhibitor. The space may be reassigned or used by AAOA without refund, unless arrangements for delayed occupancy have been approved by AAOA.

#### 5. Liability

In the event the exhibition is cancelled, postponed, or relocated on account of fire, strikes, government regulations, casualties, Acts of God, or other causes beyond the control of AAOA, the exhibitor waives any and all damages and claim for damages and agrees that the sole liability of AAOA shall be to return the exhibitor's rental payment.

#### 6. Special Restrictions

Giveaways are permitted only if approved in writing by AAOA prior to the meeting. Any activity in the exhibit aisles is strictly prohibited.

Fire hose cabinets and exits must be left accessible and in full view at all times. Decorations and displays must either be of inflammable material or be treated by an approved fire prevention method.

# **Exhibitor Terms and Conditions**

#### 6. Special Restrictions (cont-ed)

All display material must be flame proof and is subject to inspection by the local Fire Department. No flammable fluids or substances may be used or shown at exhibit booths.

Displays may not be dismantled, nor can any packing begin, prior to end of the final exhibit hours on move-out day.

#### 7. Security

AAOA cannot guarantee or assume any liability against loss or damage of any kind and encourages exhibitors to secure their belongings.

#### 8. Signs/Announcements

No signs, posters, or brochures will be allowed anywhere in the hotel except within each exhibitor's booth. No signs or other articles are to be fastened to walls or electrical fixtures. The use of thumbtacks, tape, nails, screws, bolts, or any tool or material that could mark the floor or wall is prohibited.

#### 9. Exhibitor Events/Function Space

Exhibiting companies may not conduct meetings or events that may take place during Advisory Boards or in conjunction with the AAOA program without prior written approval, including all symposia, lectures, focus groups, sessions and social events.

#### 10. Sharing Exhibit Space

Sharing an exhibit booth with one or more companies is strictly prohibited. Only employees and/or consultants of the company listed on the exhibit application are permitted to serve as representatives within an exhibit booth.

#### 11. Privacy Policy

Companies agree to obey AAOA's Privacy Policy that can be found: www.AAOAllergy.org

#### 12. Attendee List

Exhibitors have the opportunity to purchase the preregistration attendee list before the meeting. All attendee lists are one-time use and sharing or duplicating is prohibited.

#### 13. Exhibitor Booth Location

All booths assignments are approved by AAOA's Corporate Development Chair and can not be changed onsite.

AAOA does not provide Exhibit Floor Plan prior to the course to Exhibitors.

#### 14. Food and Beverages

In order to maximize Exhibitor-Attendee interaction, we place food in Exhibit Hall, when applicable. Exhibitors are welcome to enjoy meals after the Exhibit break is over and all attendees have returned back to session.

#### 15. Course Content

Only paid registrants can have access to course content. Exhibitors are welcome to attend any AAOA course by registering as Industry Representative.

# 16. Enforcement of Rules and Regulations

The Rules and Regulations of the AAOA Exhibition are intended to bring order and equality to all parties involved. In addition to being subject to restriction or termination of an exhibit, exhibitors who violate regulations could be prevented from exhibiting at future AAOA meetings.

AAOA reserves the right to restrict or terminate an exhibit without notice if an exhibitor violates any of the Terms and Conditions contained herein. In the event of such restriction or eviction, AAOA is not liable for any refunds, rentals or other exhibit expense.

# **Non-CME Opportunities**

In addition to the promotional and exhibit opportunities tied to our live CME programs, the AAOA is very interested in exploring opportunities that go beyond our CME audience and reach our full membership. As healthcare is evolving with more practice management challenges and improved pathways for integrated care, we have unique opportunities to collaborate together to help expand our resource pool and value to our members.

AAOA has recently launched its new digital platform @AAOAllergy.org. We are currently undertaking a digital redevelopment to offer new patient education, practice management, and enduring CME tools and resources for our members. Within this construct, we would be happy to discuss partnership opportunities.

In prior years, we have partnered with our corporate colleagues to develop:

- The Allergy and Asthma Primers, which were supplement publications in our journal, *International Forum on Allergy & Rhinology*
- The Clinical Insights Modules are new online education, which offers interactive, case-based eLearning
  designed to expand understanding of current practice trends and clinical research in allergy diagnosis and
  management
- The AAOA Foundation's Clinical Scholars program, intended to encourage and facilitate resident research and authorship
- Digital re-design to expand Patient Care Resources www.AAOAllergy.org

Working in partnership, we can identify needs and develop resources for our members.

Please contact Marina Fassnacht at mfassnacht@aaoallergy.org or (202) 955-5010 ext.500 for additional information on non-CME opportunities.
