

PROGRAM

2021 AAOA BASIC COURSE in Allergy & Immunology

June 1: Pre-work On-demand

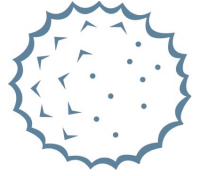

July 8-11: Live-Stream

- 10+ hours of **Pre-Work On-Demand** Content: Accessible June 1-September 15
- Engaging **Live-Stream** Content: July 8-11th
- **On-Demand** Access post until September 15th

AMERICAN ACADEMY OF OTOLARYNGIC ALLERGY (AAOA)

BASIC COURSE SCHEDULE AT-A-GLANCE

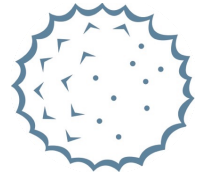

Pre-Work
On-Demand
Jun 1 - Sep 15

INTRODUCTION TO ALLERGY	
Overview of Allergies and Head & Neck Disease	Joshua M. Levy, MD, MPH
Immunology of Allergy	Jennifer Villwock, MD
Epidemiology of Allergy	Christopher Brook, MD
Genetics of Allergy	Jennifer Villwock, MD
Clinical Manifestations of Allergic Disease	John Fornadley, MD
Unified Airway	Michael Platt, MD, MSc
ALLERGY TESTING	
Allergen Characteristics and Standardization	Joshua M. Levy, MD, MPH
Allergen Classes	Sarah Wise, MD, MSCR
Cross-reactivity Selection	Christopher Brook, MD
Preparation of Testing and Treatment Board	Cecelia Damask, DO
Skin Testing Techniques I: Prick and Single Intradermal	Cecelia Damask, DO
Skin Testing Techniques II: IDT	Sarah Wise, MD, MSCR
Skin Testing Techniques III: MQT	John Fornadley, MD
In Vitro Specific IgE Testing	Michael Parker, MD
Coding for Allergy Testing – What You Need to Know	Jami Lucas, AAOA Executive Director/CEO
TREATMENT OF ALLERGY	
Avoidance and Environmental Control	Farrah Siddiqui, MD
Immunology and Principles of Immunotherapy	Michael Parker, MD
Pharmacotherapy Part I	Sarah Wise, MD, MSCR
Pharmacotherapy Part II	Michael Platt, MD, MSc
Sublingual Immunotherapy for Inhalant Allergy Part I: Background & Efficacy	Sarah Wise, MD, MSCR
Sublingual Immunotherapy for Inhalant Allergy Part III: Sublingual Tablets & Economics of SLIT	Joshua M. Levy, MD, MPH
Management of Allergy Emergencies	Farrah Siddiqui, MD
INTRODUCTION TO ADVANCED TOPICS	
Asthma Diagnosis: The Very Basics	Cecelia Damask, DO
Introduction to Food Allergy	Jennifer Villwock, MD
Coding for Allergy Treatment – What You Need to Know	Jami Lucas, AAOA Executive Director/CEO

Live-Stream
Jul 8-11

THURSDAY, JULY 8, 2021 – DAY 1	
Evening Sessions	
6:00 – 6:30 PM EDT (3:00 – 3:30 PM PDT)	VIRTUAL EXPO – Connect @ Home: Showcase
6:30 – 7:10 PM EDT (3:30 – 4:10 PM PDT)	Late Night with Dr. Levy: Role of Allergy in Comprehensive ENT Host: Joshua M. Levy, MD, MPH
7:10 – 8:10 PM EDT (4:10 – 5:10 PM PDT)	<i>NON-AAOA SATELLITE EVENT (non-CME sponsored event)</i>
8:10 – 8:30 PM EDT (5:10 – 5:30 PM PDT)	Allergy Charades Host: Cecelia Damask, DO
8:30 – 8:50 PM EDT (5:30 – 5:50 PM PDT)	The Great Allergy Panel Championship Host: Jennifer Villwock, MD
8:50 – 9:05 PM EDT (5:50 – 6:05 PM PDT)	VIRTUAL EXPO – Connect @ Home: Showcase
9:05 – 9:35 PM EDT (6:05 – 6:35 PM PDT)	Trivia Slam: Immunology Edition Hosts: Christopher Brook, MD, Michael Platt, MD, MSc
9:35 PM EDT (6:35 PM PDT)	ADJOURN FOR THE EVENING

BASIC COURSE SCHEDULE AT-A-GLANCE

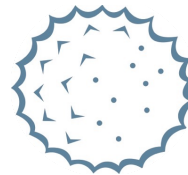

Live-Stream
Jul 8-11

FRIDAY JULY 9, 2021 – DAY 2	
Mid-Day Sessions	
11:45 AM – 12:00 PM EDT (8:45 – 9:00 AM PDT)	<i>VIRTUAL EXPO – Connect @ Home: Showcase</i>
12:00 – 12:40 PM EDT (9:00 – 9:40 AM PDT)	Skin Testing Practicum Farrah Siddiqui, MD & Jennifer Villwock, MD
Evening Sessions	
7:30 – 7:45 PM EDT (4:30 – 4:45 PM PDT)	<i>VIRTUAL EXPO – Connect @ Home: Showcase</i>
7:45 – 10:00 PM EDT (4:45 – 7:00 PM PDT)	ESCAPE ROOM & DRINKS WITH PROFESSORS WILL ONLY BE AVAILABLE DURING LIVE STREAM Christopher Brook, MD, Cecelia Damask, DO, John Fornadley, MD, Joshua Levy, MD, MPH, Michael Parker, MD, Michael Platt, MD, MSc, Farrah Siddiqui, MD, Jennifer Villwock, MD
Breakout Time I 7:45 – 8:45 PM EDT (4:45 – 5:45 PM PDT)	AAOA Escape Room Expedition I - AAOA and the Tomb of the Unknown Allergen Drinks with Professors I: How I Chose My Testing Method
8:45 – 9:00 PM EDT (5:45 – 6:00 PM PDT)	<i>VIRTUAL EXPO – Connect @ Home: Showcase</i>
Breakout Time II 9:00 – 10:00 PM EDT (6:00 – 7:00 PM PDT)	AAOA Escape Room Expedition II - AAOA and the Tomb of the Unknown Allergen Drinks with Professors II: How I Chose My Testing Method
10:00 PM EDT (7:00 PM PDT)	<i>ADJOURN FOR THE EVENING</i>

SATURDAY, JULY 10, 2021 – DAY 3	
Morning Sessions	
10:00 – 10:15 AM EDT (7:00 – 7:15 AM PDT)	<i>VIRTUAL EXPO – Connect @ Home: Showcase</i>
10:15 – 11:00 AM EDT (7:15 – 8:00 AM PDT)	Mixing Tray Practica & Faculty Office Tours Moderator: Christopher Brook, MD
11:00 – 11:15 AM EDT (8:00 – 8:15 AM PDT)	How to Decide Which Testing Method to Use in Your Practice Moderator: Farrah Siddiqui, MD
11:15 AM – 12:00 PM EDT (8:15 – 9:00 AM PDT)	Subcutaneous Immunotherapy for Inhalants I: Vial Preparation John Fornadley, MD
12:00 – 12:15 PM EDT (9:00 – 9:15 AM PDT)	<i>VIRTUAL EXPO – Connect @ Home: Showcase</i>
12:15 – 1:15 PM EDT (9:15 – 10:15 AM PDT)	<i>BREAK OR OFFICE HOURS – Stretch your legs or join us in a community meet-up and ask us about the Fellow Exam, AAOA Membership and more!</i>
Afternoon Sessions	
12:35 – 1:20 PM EDT (9:35 – 10:20 AM PDT)	Subcutaneous Immunotherapy for Inhalants II: Escalation, Maintenance and Withdrawal Elizabeth Mahoney Davis, MD
1:20 – 1:40 PM EDT (10:20 – 10:40 AM PDT)	The Most Bang for Your Buck - Are environmental controls worth the money and effort? Moderator: Christopher Brook
1:40 – 2:10 PM EDT (10:40 – 11:10 AM PDT)	Trivia Slam: Pharmacotherapy Edition Hosts: Christopher Brook, MD, Michael Platt, MD, MSc
2:10 – 2:35 PM EDT (11:10 AM – 11:35 PM PDT)	Q&A Session Moderator: Christopher Brook, MD
2:35 – 2:50 PM EDT (11:35 – 11:50 PM PDT)	<i>VIRTUAL EXPO – Connect @ Home: Showcase</i>
2:50 PM EDT 11:50 PM PDT	<i>ADJOURN FOR THE DAY</i>

SUNDAY, JULY 11, 2021 – DAY 4	
Morning Sessions	
9:45 – 10:00 AM EDT (6:45 – 7:00 AM PDT)	<i>VIRTUAL EXPO – Connect @ Home: Showcase</i>
10:00 – 10:45 AM EDT (7:00 – 7:45 AM PDT)	Sublingual Immunotherapy for Inhalant Allergy Part II: Antigen Selection, Dosing, & Vial Preparation Moderator: Jennifer Villwock, MD
10:45 – 11:45 AM EDT (7:45 – 8:45 AM PDT)	<i>NON-AAOA SATELLITE EVENT (non-CME sponsored event)</i>
11:45 AM – 12:45 PM EDT (8:45 – 9:45 AM PDT)	When Good Patients Go Bad Moderator: Cecelia Damask, DO
12:45 – 1:00 PM EDT (9:45 – 10:00 AM PDT)	<i>VIRTUAL EXPO – Connect @ Home: Showcase</i>
Afternoon Sessions	
1:00 – 2:00 PM EDT (10:00 – 11:00 AM PDT)	Dose Calculations & Vial Preparation Elizabeth Mahoney Davis, MD & John Fornadley, MD
2:00 – 2:15 PM EDT (11:00 – 11:15 AM PDT)	<i>VIRTUAL EXPO – Connect @ Home: Showcase</i>
2:15 – 3:15 PM EDT (11:15 AM – 12:15 PM PDT)	Adding Allergy to Your Practice Moderator: John Fornadley, MD
3:15 – 3:30 PM EDT (12:15 – 12:30 PM PDT)	Closing Q&A Session Moderator: Michael Parker, MD
3:30 PM EDT (12:30 PM PDT)	<i>COURSE CONCLUDES</i>

BASIC COURSE OVERVIEW

DATES

Pre-Work On-Demand Content - June 1, 2021

Live Content - July 8-11, 2021

PRE-WORK ON-DEMAND CONTENT

Available June 1, 2021

Recorded content is available starting on June 1, 2021 and is pre-work to the Basic Course. This suite of lectures is designed to teach important foundational content to prepare the learner to get the most out of their AAOA Basic Course experience. Recorded content will allow you to learn at your own pace, review what you have learned, and have your questions answered during the live sessions.

LIVE-STREAM CONTENT

July 8-11, 2021

Kicking off on Thursday evening, July 8, your live content begins with interactive panels and games including charades and Trivia. Friday, July 9, begins with a skin testing practicum for you to follow along from your office. Two sessions are available that evening and run concurrently. The first session is a highly interactive virtual escape room and running concurrently is an open - casual conversations with the faculty. These are LIVE sessions only! Do not miss out! Saturday and Sunday includes panels on key topics from the pre-work content, office tours, practica sessions, core content lectures on SCIT and SLIT, and Q&A sessions from the pre-work content.

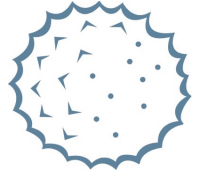

ON-DEMAND CONTENT

Available June 1 - September 15, 2021

On-demand content includes most of the Live-Streamed (available post July 11th) and the 10+ hrs of the Pre-Work On-Demand sessions. Access to all the content expires Wednesday, September 15.

BASIC COURSE SYLLABUS

SYLLABUS ACCESS

Pre-Work On-Demand Content - June 1, 2021

Live Content - July 8-11, 2021

SYLLABUS

Available June 1st

Access your 2021 Basic Course syllabus via your AAOA Member Portal. The syllabus offers key summaries for each lecture.

Please go to <https://aaoa.cloud-cme.com/aph.aspx>

- Login to your AAOA portal
- Click the "My CME" tab on the top right
- Click the "Syllabus" button, to the right of the course name
- Click on the icon to the right of each title to view the presentation handout

BASIC COURSE FACULTY

COURSE DIRECTORS

CHRISTOPHER BROOK, MD, FAAOA

Dr. Brook is a board-certified otolaryngologist who practices in an academic setting at Beth Israel Deaconess Medical Center in Boston. He is originally from California and went to the University of California Santa Barbara for his undergraduate degree. He completed his medical school education at Albany Medical College in Albany, NY, and his residency in otolaryngology at Boston University. He then completed a fellowship in rhinology at Massachusetts Eye and Ear Infirmary. His research interests include the relationship of chronic sinusitis and allergic disease, as well as the relationship of allergen sensitivity and laryngitis. Chris lives in the Boston area with his wife and four children.

CECELIA DAMASK, DO, FAAOA

Dr. Damask is in private practice at Lake Mary Ear, Nose, Throat and Allergy in the greater Orlando, FL area. She received her DO from Midwestern University/Chicago College of Medicine and completed her residency training at Ohio University College of Osteopathic Medicine. She is a fellow of the American Academy of Otolaryngic Allergy and has presented at various AAOA courses and meetings since 2009. Dr. Damask currently serves as AAOA Education Coordinator.

MICHAEL PARKER, MD, FAAOA

Dr. Parker received his medical degree in 1982 from the State University of New York Health Science Center at Syracuse, and completed his otolaryngic residency there in 1987. He currently practices privately, but maintains a close affiliation with the Health Science Center and is actively involved in teaching residents and students. Dr. Parker has served as a board member, Scientific Director, CME Chairman, and President of the AAOA, and in several faculty positions for the AAOA. He is the Past President of the Foundation Board.

BASIC COURSE FACULTY

INVITED SPEAKERS

ELIZABETH MAHONEY DAVIS, MD, FFAOA

Dr. Davis recently returned to academic otolaryngology in Boston after seven years in a private community-based otolaryngology and allergy practice. She is an assistant professor in the Department of Otolaryngology-Head and Neck Surgery at Boston University School of Medicine, and is active in resident education. Dr. Davis completed her undergraduate training at the University of Notre Dame and continued her medical education at the University of Nebraska. She then completed her general surgery internship and otolaryngology residency at the Boston University Medical Center. She is a fellow of the AAOA and American College of Surgeons.

JOHN A. FORNADLEY, MD, FFAOA

Dr. Fornadley is an attending physician at Penn State Otolaryngology, Hershey, PA. He received his medical degree from Medical School at Penn State College of Medicine at Hershey PA and did his residency in Otolaryngology at Portsmouth Naval Hospital. In September 1999, Dr. Fornadley entered private practice in central Pennsylvania. His medical interests include eustachian tube function, ear and sinus surgery and his outside interests are sailing, diving, and cycling. Quote: "No teaching attending is worthless; they can always be used as a bad example."

JOSHUA M. LEVY, MD, MPH

Dr. Levy is a board-certified otolaryngologist who practices in an academic setting at Emory University School of Medicine in Atlanta, GA. He is originally from Maryland and went to Cornell University for his undergraduate degree. He completed his medical and public health education at Tulane University in New Orleans, LA, where he also completed his residency in otolaryngology-head and neck surgery. He then completed a fellowship in rhinology at Oregon Health & Science University. He is an assistant professor of otolaryngology and director of resident research at Emory. His research is supported by several industry, foundation and NIH awards, and involves exploration of biologics for allergic fungal rhinosinusitis, as well as the role of endogenous cannabinoids in aspirin-exacerbated respiratory disease. Josh lives in the Atlanta area with his wife and daughter Margot.

BASIC COURSE FACULTY

INVITED SPEAKERS

JAMI LUCAS

Ms. Lucas serves as the Executive Director and CEO of the American Academy of Otolaryngic Allergy and its Foundation, a position she has held since 1996. With over 30 years of otolaryngology association management experience, Ms. Lucas has unique industry expertise. Prior to working with the AAOA, she served in many staff roles at the American Academy of Otolaryngology-Head and Neck Surgery, from marketing and member communications to intrasociety relations. This experience gave her a better understanding of the scope of otolaryngology, the socioeconomic issues impacting the specialty, and intraspecialty interplay. Prior to working with otolaryngology, Ms. Lucas worked as a journal and handbook copy editor for the American Physiological Society.

MICHAEL PLATT, MD, MSC FAAOA

Michael Platt MD, MSC is an Associate Professor in the Department of Otolaryngology - Head and Neck Surgery at Boston University School of Medicine. He is a fellowship-trained rhinologist who studies diseases of the upper airways via molecular bioinformatics approaches. He serves as Program Director for the Otolaryngology residency program at Boston University. Dr. Platt attended the University of Scranton and Jefferson Medical College before pursuing Otolaryngology training at Albany Medical Center and Rhinology Fellowship at the Massachusetts Eye and Ear Infirmary. While at Boston University, Dr. Platt obtained a Masters Degree in Clinical Bioinformatics. Dr. Platt lives in Brookline, MA, with his wife Judy who is the Director of Student Health at Boston University and his three children.

FARRAH N. SIDDIQUI, MD, FAAOA, FACS

Dr. Siddiqui is an Associate Professor at the University of Texas Medical Branch. After graduating from the Aga Khan University Medical College in Pakistan, she completed her residency in Otolaryngology/Head and Neck Surgery at the University of Arkansas for Medical Sciences. Having practiced Otolaryngic Allergy in both a private practice and academic setting, Dr. Siddiqui strives to teach medical students, residents, physicians, nurses and her patients about the newest diagnostic and treatment options in the field of Allergy with a focus on safety and efficiency. Dr. Siddiqui currently serves in the AAOA Item Writing Taskforce.

BASIC COURSE FACULTY

INVITED SPEAKERS

JENNIFER VILLWOCK, MD, FFAOA

Dr. Jennifer Villwock is a board-certified otolaryngologist and fellow of the AAOA. She attended medical school at the Michigan State University - College of Human Medicine and residency at SUNY-Upstate in Syracuse, NY. Dr. Villwock is currently an associate professor and associate residency program director at the University of Kansas Medical Center. Her academic interests include olfaction and sinonasal disease. She is also passionate about medical education from the undergraduate level to continuing education. Dr. Villwock's outside interests include "gardening" aka (according to her husband) digging up perfectly good lawn and then neglecting what she plants there instead.

SARAH K. WISE, MD, MSCR, FFAOA

Sarah K. Wise, MD, MSCR is a Professor of Otolaryngology-Head and Neck Surgery at Emory University in Atlanta, Georgia. She is the Emory Otolaryngology Residency Program Director, Rhinology Fellowship Director, and Director of Otolaryngic Allergy. Dr. Wise completed medical school at the University of Texas Health Science Center San Antonio, residency at Emory University and rhinology fellowship at the Medical University of South Carolina. Dr. Wise has served on the Board of Directors of the American Rhinologic Society and the American Academy of Otolaryngic Allergy. She is currently the 1st Vice President of the American Rhinologic Society and will become the society's first female President in 2022. Her clinical interests include inflammatory rhinology, otolaryngic allergy, relationship of allergy and chronic rhinosinusitis, and cerebrospinal fluid leaks. Dr. Wise lectures nationally and internationally. Her most notable publication is the International Consensus Statement on Allergy and Rhinology: Allergic Rhinitis (International Forum of Allergy and Rhinology, February 2018), where she served as first author and primary editor for this multi-disciplinary international effort that included 107 authors.

THURSDAY, JULY 8

DAY 1 - LIVE

EVENING SESSIONS

Sessions Descriptions

LATE NIGHT WITH DR. LEVY: ROLE OF ALLERGY IN COMPREHENSIVE ENT

6:30 PM - 7:10 PM EDT (3:30 - 4:10 PM PDT)

Host: Joshua M. Levy, MD, MPH

Guests: Cecelia Damask, DO, John Fornadley, MD, Michael Parker, MD, Farrah Siddiqui, MD

Join Dr. Levy and his esteemed guests as we kick off the live component of the Basic Course for a conversation on the role of allergy in comprehensive ENT. Exploring the pathway each of his guests have taken to incorporate allergy into their practices, this is a great way to gain insights on how impactful allergy diagnosis and management can be to an otolaryngology practice.

As host of the AAOA's Late Nite with Dr. Levy, he will invite his guests to join him on his virtual couch to discuss their perspective on the role of allergy in comprehensive ENT. Featured guests include Cecelia Damask, DO, solo private practice in Orlando, Jack Fornadley, MD and Michael Parker, MD teaming up to share insights from through out their careers and practice settings ranging from academic, single specialty group, and solo practice, and Farrah Siddiqui, MD, who will bring both the academic and training program perspective to consider the future of otolaryngology.

Join us for this lively conversation with opportunities for you to engage with Dr. Levy and his guests with your questions.

ALLERGY CHARADES

8:10 PM - 8:30 EDT (5:10 - 5:30 PM PDT)

Host: Cecelia Damask, DO

Contestants: Christopher Brook, MD, Joshua Levy, MD, MPH, Michael Parker, MD, Michael Platt, MD, MSc, Jennifer Villwock, MD

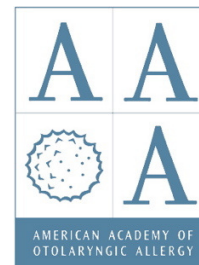

Test your knowledge of allergy with our fun-filled Allergy Charades. This fast moving format will have you matching your knowledge against our faculty and your peer learners. Prizes will be awarded!

Sessions you can play along and win prizes!

THURSDAY, JULY 8

DAY 1 - LIVE

EVENING SESSIONS

Sessions Descriptions

THE GREAT ALLERGY PANEL CHAMPIONSHIP

8:30 – 8:50 PM EDT (5:30 – 5:50 PM PDT)

Host: Jennifer Villwock, MD

Guests: Elizabeth Mahoney Davis, MD, John Fornadley, MD, Farrah Siddiqui, MD

Join Dr. Villwock as she challenges seasoned otolaryngologists with a series of special cases that will force them to consider geography, seasonality, and more as they create the best antigen panel for each case challenge. Special patient “twists” in history, laboratory, and exam findings will increase the difficulty and the fun! Learn how the faculty approached building their panels to gain insights into the process!

TRIVIA SLAM: IMMUNOLOGY EDITION

9:05 – 9:35 PM EDT (6:05 – 6:35 PM PDT)

Hosts: Christopher Brook, MD, Michael Platt, MD, MSc

Ready for Trivia? Join us for our Immunology Trivia Slam to test your knowledge. You will have a chance to match whits against your fellow participants. Make sure you get a leg up by viewing the Basic Course pre-work sessions on immunology and give yourself a chance at winning prizes!!!

Sessions you can play along and win prizes!

FRIDAY, JULY 9

DAY 2 - LIVE

MID-DAY SESSIONS

Sessions Descriptions

SKIN TESTING PRACTICUM

12:00 - 12:40 PM EDT (9:00 - 9:40 AM PDT)

Speaker: Farrah Siddiqui, MD & Jennifer Villwock, MD

Not-to-be-missed Live Demonstrations of Testing Methodologies – Review Skin-Testing Pre-Work Lectures prior and follow along in your office. Note: The live session is during clinic hours to allow you to follow along with your office supplies, if you choose.

EVENING SESSIONS

ESCAPE ROOM & DRINKS WITH PROFESSORS

ACCESSIBLE ONLY DURING LIVE-STREAM, NOT AVAILABLE POST ON-DEMAND

BREAKOUT TIME I - 7:45 - 8:45 PM EDT (4:45 - 5:45 PM PDT)

BREAKOUT TIME II - 9:00 - 10:00 PM EDT (6:00 - 7:00 PM PDT)

Speaker: Christopher Brook, MD, Cecelia Damask, DO, John Fornadley, MD, Joshua Levy, MD, MPH, Michael Parker, MD, Michael Platt, MD, MSc, Farrah Siddiqui, MD, Jennifer Villwock, MD

Join us Friday evening to participate in our Escape Room and Drinks with Professors. We are offering two concurrent sessions. Both sessions will be more effective with camera and audio options activated.

Drinks with Professors

Here is your chance for casual conversations with the faculty in small groups. Join us with your favorite beverage to discuss hot topics and ask all your burning questions. Note we are offering 2 sessions to allow broader participation.

AAOA's Escape Room Expedition - AAOA and the Tomb of the Unknown Allergen

Join your colleagues, in your best expedition attire, on an educational adventure testing what you have learned from the pre-work content and help your team solve puzzles tied to allergy cases to overcome the challenges.

Join early to make sure you join an Expedition Team. Rooms have limited capacity and will be on a first-come first-served basis.

SATURDAY, JULY 10

DAY 3 - LIVE

MORNING SESSIONS

Sessions Descriptions

MIXING TRAY PRACTICUM & FACULTY OFFICE TOURS

10:15 – 11:00 AM EDT (7:15 – 8:00 AM PDT)

Moderator: Christopher Brook, MD

Panelists: Cecelia Damask, DO, John Fornadley, MD, Michael Parker, MD

Join Dr. Brook, AAOA News Anchor, for our unique view of how different faculty practices approach allergy management. First on the tour, join us for a live demonstration on how to prepare testing and treatment boards with Dr. Damask. Building on the mixing tray video from our pre-learning course work, this is a great opportunity to follow along and ask your questions. Next on the tour, Dr. Brook will give us a glimpse into Dr. Fornadley's practice to get a first-hand view of how his allergy practice flows. Dr. Brook will go to Dr. Parker's practice next with a special look at how he handles testing/shots and his allergy patient waiting area. The tours will conclude with Dr. Brook asking insightful questions to get our panelists to share what they have learned over the years and implemented to make the allergy component more efficient.

HOW TO DECIDE WHICH TESTING METHOD TO USE IN YOUR PRACTICE PANEL

11:00 – 11:15 AM EDT (8:00 – 8:15 AM PDT)

Moderator: Farrah Siddiqui, MD

Panelists: Cecelia Damask, DO, John Fornadley, MD, Joshua Levy, MD, MPH

Join us for a lively discussion between three experts as they discuss allergy testing methods. They will share their reasoning around why they prefer certain methods for specific patients. These insights may just help you make future allergy testing methods decisions easier.

SUBCUTANEOUS IMMUNOTHERAPY FOR INHALANTS I:

VIAL PREPARATION

11:15 AM – 12:00 PM EDT (8:15 – 9:00 AM PDT)

Speaker: John Fornadley, MD

Are you ready to start immunotherapy? Dr. Fornadley will go over everything you need to know about vial preparation for subcutaneous immunotherapy for inhalant allergies.

SATURDAY, JULY 10

DAY 3 - LIVE

AFTERNOON SESSIONS

Sessions Descriptions

SUBCUTANEOUS IMMUNOTHERAPY FOR INHALANTS II:

ESCALATION, MAINTENANCE AND WITHDRAWAL
12:35 - 1:20 PM EDT (9:35 - 10:20 AM PDT)

Speaker: Elizabeth Mahoney Davis, MD

Ok. You started immunotherapy. Now what? Dr. Davis will review how to escalate immunotherapy, maintenance, and withdrawal for subcutaneous immunotherapy for inhalant allergies.

THE MOST BANG FOR YOUR BUCK

1:20 - 1:40 PM EDT (10:20 - 10:40 AM PDT)

Moderator: Christopher Brook, MD

Panelists: Joshua Levy, MD, MPH - *Pro environmental control* Jennifer Villwock, MD - *Con environmental control*

Join Dr. Brook for an interesting debate on whether environmental controls are worth the money and effort. His two panelists will go head-to-head as Dr. Villwock will argue the cons and Dr. Levy the pros of environmental controls. Tune in to see who makes the better argument and what the key take aways are for environmental control.

TRIVIA SLAM: PHARMACOTHERAPY EDITION

1:40 - 2:10 PM EDT (10:40 - 11:10 AM PDT)

Hosts: Christopher Brook, MD, Michael Platt, MD, MSc

Ready for Round 2? Join us for our Pharmacotherapy Trivia Slam to test your knowledge. You will have a chance to match whits against your fellow participants. Make sure you get a leg up by viewing the Basic Course pre-work sessions on pharmacotherapy and give yourself a chance at winning prizes!!!

Q&A SESSION

2:10 - 2:35 PM EDT (11:10 AM - 11:35 PM PDT)

Moderator: Christopher Brook, MD

Panelists: Elizabeth Mahoney Davis, MD, Michael Platt, MD, MSc, Jennifer Villwock, MD

Have questions? Post your questions in the Whova platform or like others' questions to help us formulate this QA. You can post questions in each lecture. We want questions from the pre-work on-demand content and the live sessions.

Sessions you can play along and win prizes!

SUNDAY, JULY 11

DAY 4 - LIVE

MORNING SESSIONS

Sessions Descriptions

SUBLINGUAL IMMUNOTHERAPY FOR INHALANT ALLERGY PART II:

ANTIGEN SELECTION, DOSING, & VIAL PREPARATION

10:00 – 10:45 AM EDT (7:00 – 7:45 AM PDT)

Moderator: Jennifer Villwock, MD

Panelists: Joshua Levy, MD, MPH, Michael Platt, MD, MSc, Farrah Siddiqui, MD

Because sublingual immunotherapy is such a hot topic, we have given it three lectures. In this live presentation, Dr. Villwock will cover the core concepts around antigen selection, dosing, and vial preparation for SLIT. We encourage you to watch the pre-work on-demand sessions on the efficacy and economics of SLIT and SLIT tablets.

WHEN GOOD PATIENTS GO BAD

11:45 AM – 12:45 PM EDT (8:45 – 9:45 AM PDT)

Moderator: Cecelia Damask, DO

Panelists: John Fornadley, MD, Michael Platt, MD, MSc, Farrah Siddiqui, MD

Join moderator Dr. Damask as she navigates difficult patient cases with her faculty panel to glean their insights and approaches on how best to deal with these patients.

AFTERNOON SESSIONS

DOSE CALCULATIONS & VIAL PREPARATION

1:00 – 2:00 PM EDT (10:00 – 11:00 AM PDT)

Speakers: Elizabeth Mahoney Davis, MD, John Fornadley, MD

Hands-on Opportunity: Join Dr. Davis and Dr. Fornadley as they walk you through several patient cases to discern testing results to map dosing so that you can better understand dose calculations and how it applies to real patient cases. Print your dose calculation sheets, grab a pen, and let's go to work!

ADDING ALLERGY TO YOUR PRACTICE

2:15 – 3:15 PM EDT (11:15 AM – 12:15 PM PDT)

Moderator: John Fornadley, MD

Panelists: Christopher Brook, MD, Elizabeth Mahoney Davis, MD, Joshua Levy, MD, MPH, Michael Parker, MD

If you are new to allergy, plan on adding allergy to your practice, or just want to gain insights on how others do it, join us for this panel and learn about what our faculty has learned through trial and error of adding allergy to their own practice!

CLOSING Q&A SESSION

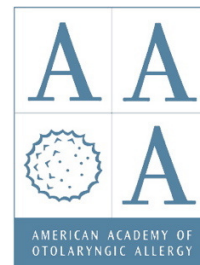

3:15 – 3:30 PM EDT (12:15 – 12:30 PM PDT)

Moderator: Michael Parker, MD

Panelists: Christopher Brook, MD, Elizabeth Mahoney Davis, MD, Michael Platt, MD, MSc

A not-to-be missed session for anyone who still has lingering questions! Questions from previous live sessions, and the pre-work on-demand content will be answered in this closing questions and answers session.

PRE-WORK ON-DEMAND SESSION DESCRIPTIONS

INTRODUCTION TO ALLERGY

Available June 1, 2021

OVERVIEW OF ALLERGIES AND HEAD & NECK DISEASE

Duration: 35-minutes

Speaker: Joshua M. Levy, MD, MPH

As an organization dedicated to advancing comprehensive management of allergy & inflammatory disease in otolaryngology-head and neck surgery, this lecture underscores the link between allergy, inflammatory disease, and other ENT disorders and the role of allergy in total ENT care.

IMMUNOLOGY OF ALLERGY

Duration: 23-minutes

Speaker: Jennifer Villwock, MD

Key building blocks to understanding how the immune system functions in respect to allergic disease; this is a core lecture to the better understanding of allergy care and management.

EPIDEMIOLOGY OF ALLERGY

Duration: 17-minutes

Speaker: Christopher Brook, MD

One of the key knowledge to treat the allergic patient is to understand the epidemiology of allergic disease. From this perspective, Dr. Brook will review incidence and prevalence, risks factors of allergic rhinitis, and its patterns and tendencies.

GENETICS OF ALLERGY

Duration: 15-minutes

Speaker: Jennifer Villwock, MD

Genetics and environmental factors both play a role in atopic disease. Gain an understanding of their effects and patterns in allergic disease.

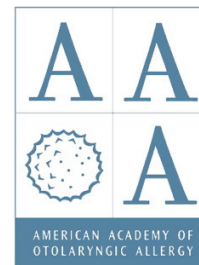

CLINICAL MANIFESTATIONS OF ALLERGIC DISEASE

Duration: 31-minutes

Speaker: John Fornadley, MD

Core to understanding how to recognize and diagnose allergic disease. Join us to gain better insights to how allergy presents itself in your patients.

PRE-WORK ON-DEMAND SESSION DESCRIPTIONS

INTRODUCTION TO ALLERGY

Available June 1, 2021

UNIFIED AIRWAY

Duration: 34-minutes

Speaker: Michael Platt, MD, MSc

Inflammatory disease in the upper and lower airway share many common traits. To gain a better understanding of upper airway disease, it helps to understand lower airway disease and how both are related.

ALLERGY TESTING

ALLERGEN CHARACTERISTICS AND STANDARDIZATION

Duration: 30-minutes

Speaker: Joshua M. Levy, MD, MPH

As you build your knowledge, kick off your understanding of allergens by learning about the implications of variation in allergen characteristics, what standardization means and how it relates to practice, and how to interpret the various allergen units.

ALLERGEN CLASSES

Duration: 16-minutes

Speaker: Sarah Wise, MD, MSCR

Learn core basics on trees, molds, grasses, weeds, dander, and others to better understand allergen biologic classes. Discussion will include how to select antigens for proper regional allergy testing protocols.

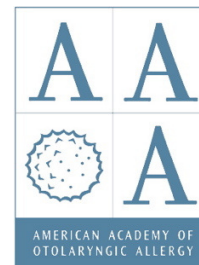

CROSS-REACTIVITY SELECTION

Duration: 19-minutes

Speaker: Christopher Brook, MD

Did you know Birch and Apple cross-react? This lecture helps explain cross-reactivity, what you need to consider in your allergy management approach, and other key take aways.

PRE-WORK ON-DEMAND SESSION DESCRIPTIONS

ALLERGY TESTING

Available June 1, 2021

PREPARATION OF TESTING AND TREATMENT BOARD

Duration: 22-minutes

Speaker: Cecelia Damask, DO

Join Dr. Damask as she goes over the preparation of testing and treatment board. Do not miss out her live demonstration on Saturday, July 10 in the Mixing Trays Practica and Faculty Office Tours live stream session.

SKIN TESTING TECHNIQUES I: PRICK AND SINGLE INTRADERMAL

Duration: 21-minutes

Speaker: Cecelia Damask, DO

Building Blocks for Skin Testing Practicum: Core review of percutaneous and single intradermal testing: Hows and whys. Live demonstrations of skin testing techniques is scheduled for Friday, July 9 at 12:00 PM EDT (9:00 AM PDT)

SKIN TESTING TECHNIQUES II: IDT

Duration: 20-minutes

Speaker: Sarah Wise, MD, MSCR

Building Blocks for Skin Testing Practicum: Core review of intradermal dilutional testing (IDT): Hows and whys. Live demonstrations of skin testing techniques is scheduled for Friday, July 9 at 12:00 PM EDT (9:00 AM PDT)

SKIN TESTING TECHNIQUES III: MQT

Duration: 15-minutes

Speaker: John Fornadley, MD

Building Blocks for Skin Testing Practicum: Core review of modified quantitative testing (MQT), a blend of testing techniques with the hows and whys. Live demonstrations of skin testing techniques is scheduled for Friday, July 9 at 12:00 PM EDT (9:00 AM PDT)

IN-VITRO SPECIFIC IGE TESTING

Duration: 20-minutes

Speaker: Michael Parker, MD

Learn how in vitro specific IgE testing works, how to interpret the results, and when to use it.

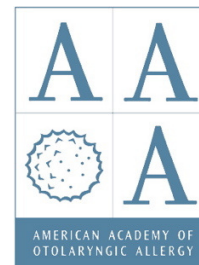

CODING FOR ALLERGY TESTING - WHAT YOU NEED TO KNOW

Duration: 7-minutes

Speaker: Jami Lucas, AAOA Executive Director/CEO

Review and insights on CPT coding for allergy testing.

PRE-WORK ON-DEMAND SESSION DESCRIPTIONS

TREATMENT OF ALLERGY

Available June 1, 2021

AVOIDANCE AND ENVIRONMENTAL CONTROL

Duration: 31-minutes

Speaker: Farrah Siddiqui, MD

Do environmental controls really work? Learn the latest on what the data shows on different avoidance techniques. This session is great to watch prior to the live stream debate on the topic: The Most Bang for Your Buck: Are environmental controls worth the money and effort?

IMMUNOLOGY AND PRINCIPLES OF IMMUNOTHERAPY

Duration: 39-minutes

Speaker: Michael Parker, MD

Join Dr. Parker for this core session to better understand immunotherapy. Learn about immunotherapy concepts, history, mechanisms of action, and efficacy, as well as the indications for subcutaneous (SCIT) and sublingual (SLIT) immunotherapy approaches.

PHARMACOTHERAPY PART I

Duration: 27-minutes

Speaker: Sarah Wise, MD, MSCR

Building Blocks for better understanding different pharmaceutical options. This is also core concepts to test your knowledge in the live session Trivia Slam: Pharmacotherapy Edition which will be live stream on Saturday, July 10 at 2:20 PM EDT (11:20 AM PDT).

PHARMACOTHERAPY PART II

Duration: 33-minutes

Speaker: Michael Platt, MD, MSc

Building Block for better understanding different pharmaceutical options. This is also core concepts to test your knowledge in the live session Trivia Slam: Pharmacotherapy Edition which will be live stream on Saturday, July 10 Saturday, July 10 at 2:20 PM EDT (11:20 AM PDT).

SUBLINGUAL IMMUNOTHERAPY FOR INHALANT ALLERGY PART I:

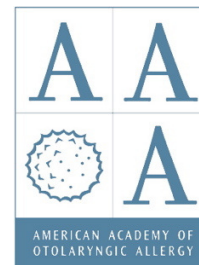

BACKGROUND & EFFICACY

Duration: 29-minutes

Speaker: Sarah Wise, MD, MSCR

Sublingual immunotherapy is growing in usage. Learn key hows and whys for sublingual immunotherapy to better evaluate its role in your practice.

PRE-WORK ON-DEMAND SESSION DESCRIPTIONS

TREATMENT OF ALLERGY

Available June 1, 2021

SUBLINGUAL IMMUNOTHERAPY FOR INHALANT ALLERGY PART III:

SUBLINGUAL TABLETS & ECONOMICS OF SLIT

Duration: 13-minutes

Speaker: Joshua M. Levy, MD, MPH

Sublingual tablets are now available. Learn where these options play into patient care and better understand how they work.

MANAGEMENT OF ALLERGY EMERGENCIES

Duration: 49-minutes

Speaker: Farrah Siddiqui, MD

Do you have a crash cart? Is your staff trained on how to recognize an allergic emergency and what to do? Learn core basics to being prepared to manage allergy emergencies.

INTRODUCTION TO ADVANCED TOPICS

ASTHMA DIAGNOSIS: THE VERY BASICS

Duration: 21-minutes

Speaker: Cecelia Damask, DO

Many of your allergy patients may also have asthma. As a precursor to the Advanced Course in Allergy & Immunology, this lecture will give you an introduction to asthma diagnosis and key things you should know.

INTRODUCTION TO FOOD ALLERGY

Duration: 44-minutes

Speaker: Jennifer Villwock, MD

As you start incorporating allergy, patients may inquire about food allergy diagnosis and management. As a precursor to the Advanced Course in Allergy & Immunology, this lecture offers you an introduction to key concepts around food allergy and patient management.

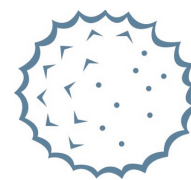

CODING FOR ALLERGY TREATMENT - WHAT YOU NEED TO KNOW

Duration: 17-minutes

Speaker: Jami Lucas, AAOA Executive Director/CEO

Review and insights on CPT coding for allergy management with a focus on immunotherapy.

ACCREDITATION STATEMENT AND COMMERCIAL SUPPORT

STATEMENTS

ACCME, AMA, and ABOHNS Statements

ACCREDITATION STATEMENT

The American Academy of Otolaryngic Allergy is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

AMA CREDIT DESIGNATION STATEMENT

The American Academy of Otolaryngic Allergy designates this other activity for 34.5 AMA PRA Category 1 Credit(s)TM. The amount will be determined based on the final agenda. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ABOHNS CONTINUING CERTIFICATION RECOGNITION STATEMENT

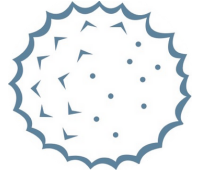

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn their required annual part II self-assessment credit in the American Board of Otolaryngology - Head and Neck Surgery's Continuing Certification program (formerly known as MOC). It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of recognizing participation.

COMMERCIAL SUPPORT

The AAOA would like to acknowledge the following companies for their in-kind support of the 2021 AAOA Basic Course in Allergy and Immunology by providing supplies for the Skin Testing and the Mixing Trays Practica:

- ALK
- Greer
- Lincoln Diagnostics

CLAIMING CME AND MOC CREDITS FOR THE MEETING

MEETING CREDITS

Deadline to claim CME credit - September 15, 2021

CLAIMING CME CREDITS

Evaluation available on July 12, 2021

The 2021 AAOA Basic Course offers 34.5 AMA PRA™ Category 1 Credit. 10.5 CME credit hours are available for the 25 pre-work on-demand lectures available June 1. 13.00 CME hours are available for the live sessions July 8-11. 11.00 hours of the live sessions will be recorded and viewable on the course platform until September 15, 2021.

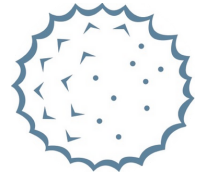

At the conclusion of the live portion of the meeting, AAOA staff will release the course evaluation so that learners can claim their credits for the course.

The evaluation will be available starting on July 12, 2021 until September 15, 2021. See details below or under the Logistics Tab in the Whova app.

CLAIMING ABOHNS CONTINUING CERTIFICATION CREDITS (MOC)

To claim ABOHNS Continuing Certification credit (MOC), you will need to sign up for the MOC portion when registering for a CME activity, and you will need to be set to claim MOC credits through your AAOA profile. Detailed instructions on how to set up your AAOA profile and register to claim Continuing Certification credits (MOC) can be found [here](#). After attending an AAOA activity, you will need to complete the post-course evaluation to claim those credits.

MEETING EVALUATION ACCESS

MEETING EVALUATION

Deadline to claim CME credit - September 15, 2021

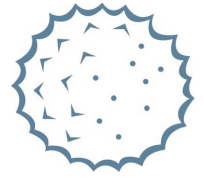

COMPLETING THE EVALUATION

- Go to your AAOA member portal: <https://aaoa.cloud-cme.com/aph.aspx>
- Enter your AAOA Username and Password if necessary
- Click on the "My CME" button on the top right of your CME account
- Click the "Evaluations" button
- Click the "Complete Evaluation" button next to the 2021 AAOA Basic Course in Allergy and Immunology
- Once you complete and submit your course evaluation, your AAOA transcript will be updated with these newly claimed credits.
- To access your transcript after completing the evaluation, click the "Transcript" button.

Evaluation available on July 12, 2021

For any evaluation or course credit questions, please email meetings@aaoallergy.org

EVALUATION AND CLAIMING CME AND MOC CREDITS

MEETING EVALUATION

Deadline to claim CME credit - September 15, 2021

COMPLETING THE EVALUATION

GAMES & PRIZES

GAMES & PRIZES

Building on the AAOA's innovative approach to CME programming, we are offering several ways for you to engage during the Live-Stream sessions July 8–11.

THURSDAY, JULY 8TH

Allergy Charades

8:10 PM EDT/5:10 PM PDT

Here is your chance to match your knowledge against your peers as you decipher the charade clues to better understand allergens

Prizes will be offered for our top competitors

Trivia Slam: Immunology Edition

9:05 PM EDT/6:05 PM PDT

Match your knowledge of immunology against that of your peers in our Immunology Trivia Slam

Prizes will be offered for our top competitors

FRIDAY, JULY 9TH

AAOA Escape Room Expedition

7:45 PM EDT/4:45 PM PDT and 9:00 PM EDT/6:00 PM PDT

AAOA and the Tomb of the Unknown Allergen: Join your allergy skills with those of your expedition team to solve the clues to escape the tomb. This is a very interactive session, and we encourage cameras and sound on and expedition attire

Prizes will be offered for our top competitors

SATURDAY, JULY 10TH

Trivia Slam: Pharmacotherapy Edition

2:20 PM EDT/11:20 PM PDT

Here is your second chance to match your knowledge against your peers. Join us for the Pharmacotherapy Trivia Slam

Prizes will be offered for our top competitors

In addition to our innovative game formats, our ever popular Scavenger Hunt and Passport will be deployed during the Live-Stream session. Join us to increase your chances of winning and rising up on the Leader Board. Watch for push notifications in the Whova App on how to play.

GAMES & PRIZES

GAMES & PRIZES

PASSPORT CONTEST

JULY 8-11, 2021

Complete your passport by July 11th 1pm EDT to be entered into our raffle!

Download the Whova app to start collecting stamps. You can collect stamps by visiting each exhibitor booth listed. You must do the following for EACH BOOTH* to be eligible to be entered into our raffle:

- Click on Contact Us
- Post a meaningful comment
- Like their booth
- Attend 1 Live Showcase for Each Exhibitor that is doing a Live Showcase

Prizes:

1. Amazon Gift Card, \$50 value
2. Target Gift Card, \$20 value
3. Free AAOA USP Module
4. \$250 Discount to ANY 2022 CME Meeting
5. One free hotel night at the 2022 Advanced Course (must be within the meeting dates and recipient registered for the course)

*Please note DUPIXENT® (dupilumab) and Stryker ENT are not participating in the Passport Contest

GAMES & PRIZES

GAMES & PRIZES

AAOA ADVENTURE SCAVENGER HUNT

JULY 10

Play for a chance to win a \$20 Amazon gift card by completing a scavenger card!

- Check 7 exhibitor booths, listed in the AAOA Adventure Scavenger Card*
- Find ALL the adventure items, listed in the card as well
- Write down the name of the company next to each item
- Once completed, take a photo of your card and post on your social media account (Facebook, LinkedIn, Twitter)
- Use #2021BasicAAOA hashtag, so we can find your post (if you are not using #2021BasicAAOA we will not see your post)

Cards must be completed during one of the VIRTUAL EXPO - Connect @ Home Breaks on July 10th:

- 10:00am-10:15am EDT
- 12:00pm-12:15pm EDT
- 2:35pm-2:50pm EDT

The winner will be announced in Announcements on Whova app, social media and emailed directly. Must find all the items to be eligible to enter in the \$20 Amazon Gift Card drawing and post before 3:30pm EDT on July 10th.

Good luck!

*AAOA Adventure Scavenger Card can be downloaded and printed OR you can take a screenshot of the card with your mobile device, if you have an iPhone, you can save to "Photos", and use a "Markup" tool to write in the company names, and if you have an Android phone, go to your "Gallery" and use "Edit (pencil)" tool.
