

AMGEN AND ASTRAZENECA INVITE YOU TO ATTEND

# Investigating Epithelial-Driven Inflammation in CRSwNP: A New Perspective From the Top of the Cascade

## LEARNING OBJECTIVES:

- Review our current understanding of epithelial-driven inflammation
- Explore how epithelial-driven inflammation can drive the pathophysiology of CRSwNP
- Investigate data implicating epithelial cytokines in both CRSwNP and severe asthma

## LOCATION

**The Chateaux Deer Valley  
Park City, UT  
Room: Monet**

## DATE

**Saturday, July 12, 2025  
7:00 - 8:00 AM MT**

This commercially supported Product Theater is independent of the American Academy of Otolaryngic Allergy (AAOA) educational activities and is not accredited by AAOA.

## SPEAKERS

**Katharine  
Woessner, MD**

Allergist  
Scripps Clinic Medical Group  
San Diego, CA

**Robert Stachler, MD,  
FAAOA**

Otolaryngologist  
Stachler ENT PC  
West Bloomfield, MI

Amgen and AstraZeneca fully support and abide by the PhRMA Code on Interactions with Health Care Professionals. Amgen and AstraZeneca cannot accommodate or pay for the cost of a spouse or other guest of a health care professional. As such, this program is open to invitees only. If you are a prescriber and/or a federal, state, or institution employee, you may be subject to laws, regulations, or rules which prohibit or limit gifts, meals, or items of value you may receive. We ask that you comply with any restrictions that govern your receipt of gifts, meals, or items of value.

This is a presentation sponsored directly by Amgen and AstraZeneca and there are no continuing medical education (CME), continuing nursing education (CNE), or continuing education (CE) credits associated with this activity.

CRSwNP=chronic rhinosinusitis with nasal polyps.
